

*Example (1).* Donor makes a taxable gift on April 1, 1982, for which a return must be made under section 6019. Donor files the income tax return on the calendar year basis. The donor was granted a 4-month extension from April 15, 1983 to August 15, 1983, in which to file the 1982 income tax return. Under these circumstances, the donor is not required to file the gift tax return prior to August 15, 1983. See paragraph (b)(1) of this section.

*Example (2).* Donor makes a taxable gift on April 1, 1982, for which a return must be made under section 6019. The donor dies on May 1, 1982. Under these circumstances, since the due date for filing the estate tax return, February 1, 1983 (assuming an estate tax return under section 6018 was required to be filed), falls prior to the due date for the gift tax return (as specified in section 6075(b)(1)), the last day for filing the gift tax return is February 1, 1983. See paragraph (b)(2) of this section.

*Example (3).* The facts are the same as in example (2), except the donor dies on November 30, 1982. Although the estate tax return is due on or before August 30, 1983, the last day for filing the gift tax return is April 15, 1983. See paragraph (b) of this section.

*Example (4).* The facts are the same as in example (3), except that the executor receives a 4-month extension for filing the decedent's income tax return. Under these circumstances, the last day for filing the gift tax return is August 15, 1983. See paragraphs (b) (1) and (2) of this section.

*Example (5).* The facts are the same as in example (3), except that the donor-decedent receives an extension of 6 months for filing the gift tax return. See section 6081 and § 25.6081-1. Since section 6075(b)(3) and § 25.6075-2(b) provide that the time for filing the gift tax return made under section 6019 shall not be later than the time (including extensions) for filing the estate tax return made under section 6018, the last day for filing the gift tax return is August 30, 1983.

(d) See section 7503 and § 301.7503-1 concerning the timely filing of a return that falls due on a Saturday, Sunday or legal holiday. As to additions to the tax for failure to file the return within the prescribed time, see section 6651 and § 301.6651-1.

**§ 25.6075-2 Returns; time for filing gift tax returns for gifts made after December 31, 1976, and before January 1, 1982.**

(a) *Due date for filing quarterly gift tax returns.* (1) Except as provided in paragraph (b) of this section, a return required to be filed under section 6019 for

the first, second, or third calendar quarter of any calendar year must be filed on or before the 15th day of the second month following the close of the calendar quarter in which the taxable gift was made.

(2) If a return is required to be filed under section 6019 for the fourth calendar quarter, then—

(i) For gifts made after December 31, 1976 and before January 1, 1979, the return must be filed on or before February 15th following the close of the fourth calendar quarter, or

(ii) For gifts made after December 31, 1978, and before January 1, 1982, the return must be filed on or before April 15th following the close of the fourth calendar quarter.

(b) *Special rule.* (1) If the total amount of taxable gifts (determined after the application of paragraph (c)(1) of this section, relating to split gifts) made by a person during a calendar quarter is \$25,000 or less, the return required under section 6019 for that quarter must be filed on or before the date prescribed in paragraph (a)(1) of this section for filing the return for gifts made in the first subsequent calendar quarter (unless the first subsequent calendar quarter is the fourth calendar quarter in which case see paragraph (b)(2) of this section) in the calendar year in which the sum of—

(i) The taxable gifts made during such subsequent calendar quarter, plus

(ii) All other taxable gifts made in prior quarters of the calendar year for which no return has yet been required to be filed,

exceeds \$25,000. The return must include transfers by gift (as required by section 6019 and the regulations under that section) made during such subsequent and prior quarters of the calendar year for which no return has yet been required to be filed and identify in which quarter such transfers were made. The return must meet all the requirements for a separate return as if a separate return had been made for each quarter in which a transfer by gift was made. This return will be treated as a separate return for each of the quarters identified on the return.

(2) If a return is not required to be filed under paragraph (b)(1) of this section, then—

(i) For gifts made after December 31, 1976 and before January 1, 1979, the return must be filed on or before February 15th following the close of the fourth calendar quarter, or

(ii) For gifts made after December 31, 1978, and before January 1, 1982, the return must be filed on or before April 15th following the close of the fourth calendar quarter.

The return must include all transfers by gift (as required under section 6019 and the regulations under that section) made during the calendar year for which no return has yet been required to be filed and identify in which quarter such transfers were made. The return must meet all the requirements for a separate return as if a separate return had been made for each quarter in which a transfer by gift was made. This return will be treated as a separate return for each of the quarters identified on the return.

(3) Under section 6075(b)(3), any extension of time granted a taxpayer for filing the return of income taxes imposed by Subtitle A for any taxable year which is a calendar year shall be treated as an extension of time granted the taxpayer for filing any return under section 6019 which is due (under paragraphs (a)(2)(ii) and (b)(2)(ii) of this section) on or before April 15th following the close of the fourth calendar quarter. See also section 6081 and § 25.6081-1 for other rules relating to extensions of time for filing returns.

(4) See section 7503 and § 301.7503-1 for the due date of a return that falls on a Saturday, Sunday, or a legal holiday. As to additions to the tax for failure to file the return within the prescribed time, see section 6651 and § 301.6651-1.

(c) *Effect of section 2513.* (1) In determining whether taxable gifts made during any calendar quarter exceed \$25,000, and in determining whether taxable gifts made in the current calendar quarter and the preceding calendar quarters of the calendar year for which no return has yet been required to be filed exceed \$25,000, the effect of section 2513 is not taken into account for any gifts made in the current or previous quarters for which a return is now being filed unless an irrevocable consent was made by either spouse on a return that was required to be filed

prior to the due date of the current return. See § 25.2513-3 for the rules relating to when a consent becomes irrevocable.

(2) Paragraph (c)(1) of this section may be illustrated by the following examples:

*Example (1).* During the first quarter of 1980 A made taxable gifts of \$17,000 (\$20,000—\$3,000 annual exclusion under section 2503(b)) to D. During the second quarter A made another taxable gift of \$10,000 to D. A's taxable gifts for the first two quarters are \$27,000. Therefore, A is required to file a return for the first and second quarters on or before August 15, 1980. On that return A's wife, B, consented to the application of section 2513 (relating to split gifts) for the second quarter. Even though A split the second quarter gift with his wife, A's return is nevertheless required to be filed on or before August 15, 1980 because in determining whether taxable gifts exceed \$25,000, the effect of section 2513 is only taken into account for the quarter in which an irrevocable consent was made on a return required to be filed before August 15, 1980.

*Example (2).* Assume the same facts as in Example (1). In addition, during the third quarter A made another taxable gift of \$20,000 to D, and B made a taxable gift of \$24,000 to D. B is required to file a return reporting the taxable gifts made during the second and third quarters on or before November 15, 1980 because B's total taxable gifts exceed \$25,000 (second quarter gifts after taking section 2513 into account =  $\frac{1}{2}$  (\$10,000)—\$3,000 (annual exclusion under section 2503(b)) = \$2,000 plus a \$24,000 gift in the third quarter). Even if A and B had consented to the application of section 2513 for the third quarter, B's return would nevertheless be due on or before November 15, 1980, because an irrevocable consent was not made on a return that was required to be filed prior to November 15, 1980. However, the effect of section 2513 is taken into account for the second quarter because an irrevocable consent was made on a return that was required to be filed prior to November 15, 1980.

*Example (3).* During the first quarter of 1980 A made taxable gifts of \$27,000 to F (\$30,000—\$3,000 annual exclusion under section 2503(b)). A is required to file a return on or before May 15, 1980. A fails to file a return until August 1, 1980. On that return B, A's spouse, consented to the application of section 2513. The consent on that return is irrevocable under § 25.2513-3. During the second quarter B made taxable gifts of \$14,000 to F. A and B made no other gifts during 1980. B has made total taxable gifts of \$26,000 (\$12,000 for the first quarter and \$14,000 for the second quarter). Therefore, B is required to file a return on or before August 15, 1980. Even if

## § 25.6081-1

A and B had consented to the application of section 2513 for the second quarter, B's return is nevertheless due on or before August 15, 1980. Assuming no other gifts were made during the year, A's return reporting the second quarter split gift would be due on or before April 15, 1981.

*Example (4).* During the first quarter of 1980 A made taxable gifts of \$20,000 to G. B, A's spouse, files a gift tax return on June 15, 1980 reporting that gift and both A and B signify their consent to the application of section 2513 on that return. In determining whether either spouse has exceeded the \$25,000 amount for the remainder of 1980, the effect of section 2513 will be taken into account for the transfer by gift made in the first quarter.

(d) *Nonresident not citizens of the United States.* In the case of a donor who is a nonresident not a citizen of the United States, paragraphs (a) and (b) of this section shall be applied by substituting "\$12,500" for "\$25,000" each place it appears. For rules relating to whether certain residents of possessions are considered nonresidents not citizens of the United States, see section 2501(c) and § 25.2501-1(d).

(e) *Effective date.* This section is effective for gifts made after December 31, 1976, and before January 1, 1982.

## § 25.6081-1 Extension of time for filing returns.

It is important that the donor file on or before the due date a return as nearly complete and final as it is possible for him to prepare. However, the district director or director of the service center is authorized to grant a reasonable extension of time for filing returns. Applications for extensions of time for filing gift tax returns must contain a full recital of the causes for delay. Except as provided in paragraph (b) of § 301.6091-1 (relating to hand-carried documents), such application shall be made to the internal revenue officer with whom such return is required to be filed. Except in the case of donors who are abroad, no extension for filing gift tax returns may be granted for more than 6 months. An extension of time for filing a return does not operate to extend the time for payment of the tax or any part thereof, unless so specified in the extension. For exten-

sions of time for payment of tax, see § 25.6161-1. No extension of time for filing a return may be granted unless the application is received by such internal revenue officer before the expiration of the time within which the return must otherwise be filed. The application should, when possible, be made sufficiently early to permit the internal revenue officer to consider the matter and reply before what otherwise would be the due date of the return.

## § 25.6091-1 Place for filing returns and other documents.

(a) *In general.* If the donor is a resident of the United States, the gift tax return required by section 6019 shall be filed with the district director for the district in which the legal residence or principal place of business of the donor is located. If the donor is a nonresident (whether or not a citizen), and his principal place of business is located in an internal revenue district, the gift tax return shall be filed with the district director for the internal revenue district in which the donor's principal place of business is located.

(b) *Returns filed with service centers.* Notwithstanding paragraph (a) of this section, unless a return is filed by hand carrying, whenever instructions applicable to gift tax returns provide that the returns be filed with a service center, the returns must be so filed in accordance with the instructions. Returns which are filed by hand carrying shall be filed with the district director (or with any person assigned the administrative supervision of an area, zone, or local office constituting a permanent post of duty within the internal revenue district of such director) in accordance with paragraph (a) of this section.

(c) *Returns of certain nonresidents.* If the donor is a nonresident (whether or not a citizen), and he does not have a principal place of business which is located in an internal revenue district, the gift tax return required by section 6019, whether or not such return is made by hand carrying, shall be filed with the Internal Revenue Service Center, Philadelphia, Pennsylvania, or the Director of International Operations, Washington, DC, depending upon the
